

A Podcast from Sally Clarkson

God wants us to live by faith.

Don't take on fear. God wants us to believe in His goodness even when things are hard. He has the capacity to lead over our lives.

How is your life different because you have God and His Holy Spirit? What Faith Miracles have you seen in your life?

The Holy Spirit gives us peace in the midst of turbulence, wisdom to make decision in uncertainty, and gives us a desire to grow in kindness and maturity. In what are do you need to hear from God's Holy Spirit?

A heart that is willing to believe in the miraculous presence of God in every circumstance.

Read through Luke 18:1-8. Examine your heart to cultivate your own personal faith. If we believe these things, then we must act on our belief and have faith that God is willing to respond to us. How can you be more like the widow?

How are you believing forward in your own life and those of your children? Are you willing to suffer and go through hard times that you might develop compassion and fortitude? Are you willing to love our enemies?

2 Cor. 4:7 *But we have this treasure in earthen vessels, so that the surpassing greatness of the power will be of God and not from ourselves.*

Sometimes it seems impossible to believe. Take some time to thank God that He is listening and be willing to believe that He will give you peace in your heart. The power is from God, not from ourselves.

He is present. He is alive. He is with you every moment even when you can't see Him. He is redeeming. He is rescuing.

1 John 4:4 *You are from God, little children, and have overcome them; because greater is He who is in you than he who is in the world.*

Try not to get wrapped up in your own limitations, fears, selfish desires. Believe that He will give you what you need in His right time. He is greater than all your circumstances.
