Let's talk about building our foundations on the rock. During this time of uncertainty and the COVID-19 pandemic, it is more important than ever for us to be grounded and steadfast in the Lord.

What does it mean to be a grounded, dependable, steadfast person?

Let's investigate what the Bible says about being grounded. Take some time to look up each of these verses and make notes about what jumps out to you. Is there any one verse that the Lord is using to draw you into a place of steadfastness?

Hebrews 10:23

1 Cor. 15:58

1 Cor. 4:2

Consider choosing one verse to commit to memory this week. We are praying for you amidst all the fears and uncertainty of COVID-19, that you would be drawn close to the Lord and see His hope in your own set of circumstances.
