Describe “thirst” in as many adjectives as you can. Now, ponder how it feels to have fresh, cool water quench this thirst. What are some other characteristics of water?

How do these adjectives remind you of Christ and His role in your life?

Do you feel thirsty? What are you longing for? Go to Christ and pour out your heart. In John 7: 37-39, Jesus tells us that He will cause “rivers of living water” to spring forth if we believe in Him. What is pouring out of you? If you walk with Jesus, that will become “rivers of living water.”
