Ponder a time when you were encouraged by someone else's words. How did that make you feel?

Read through the following scriptures and consider how God's word is encouraging and why words are important to God.

1 Thessalonians 5:11

Ephesians 4:29

1 Peter 2:45

Hebrews 3:13

Hebrews 10:24-25

1 Thessalonians 4:18

Philippians 2:3-4

Isaiah 41:13

Ezekiel 34:15

Ephesians 4:15-16

Read through the scriptures a second time and consider what they teach you about your own encouraging words to others. How will you offer your words this month?
