*I Take Hope: Destined to Love Your Children*

*Sally Clarkson*

We all need a grid, philosophy, and Biblical foundations to live a fruitful live.

A relationship of love with your children is the most important thing to reach their hearts. What do your children see when they look in your eyes?

God provided the law. His law was created in love as protection for us. Enforcing law without love is legalism. Where do you land on this spectrum? Where would your children say you land?

Read Luke 15: 11-32. How does the father's reaction to the son's return give us an example to follow?

Read John 13. Reflect on the tender way Jesus treats his disciples on the night before He went to his death.

John 14:16-17 *I will ask the Father, and He will give you another Helper, so that He may be with you forever; the Helper is the Spirit of truth, whom the world cannot receive, because it does not see Him or know Him; but you know Him because He remains with you and will be in you.* Also read John 14:26-27.

You are the one who serves, loves, and set the tone in your home. What tone are you setting?

Unconditional love is the foundation of reaching your child's heart. Ask the Lord to renew your unconditional love for your children.

Read Matt 22:37 together. Post it in your home.

We all have a fallen nature. Where are you parenting by guilt and laying burdens of guilt upon your children? They need you on their team!
