Journeys of Faithfulness: Becoming a Heroine

#### *Qualities of a Heroine*

**Story:** A heroine has a real conception of the story of God and that she is a part of it. How will you engage with the story of God and grasp yourself as a part of the bigger story?

**Stillness:** In order to be a part of God's story, we need to listen to the voice of God. When will you carve out time for silence and listening in your own life and in the lives of your children?

**Suffering:** Life will involve suffering. We have to make a decision to believe in the goodness of God. Have you determined to not doubt His goodness? What beauty can you add to your life to affirm that goodness?

**Sent:** Are you willing to go where God calls you? Are you willing to set aside your temper, your impatience, your harsh words in order to love your children well for the Lord's sake?
