

Motherhood  
*Wholehearted Children,  
Wholehearted Mother Part 2*

## Sally Clarkson

In this second talk in the Wholehearted Children, Wholehearted Mothering series, Sally reminds us how to endure with grace for the long journey. Do you need endurance in the season you are in? Ponder and pray over these ideas before the Lord.

Recognize the battle.

Let God be in His proper place.

Commit to growing every day in Christ.

Find a friend.

Bow your knee to drink from the cup God has given you.

Endure to the end! It is worth it!
