

Discipleship
The Joy of Faith

Sally Clarkson

What is the condition of your heart today?

Read 1 Samuel 8. Where are you trying to live without faith? Examine your heart for where it wants to go the world's way instead of God's way.

Read 2 Samuel 6. Why did Michal stay in the house? Are you in the house like Michal or are you worshipping in the streets like David?

How can you change your heart from barrenness to joyful faith?
