

Bible Study *I am the Vine*

Sally Clarkson

In John 15, Jesus declares himself to be the Vine. This image is one that appears many times in scripture. Spend some time reading the following verses. Ponder how Jesus is the vine and what implications that has in your own life.

John 15: 1-11; Genesis 49: 22-26; Psalm 80: 14-15; Isaiah 5: 1-7; and Jeremiah 2:21.

What is the Lord pruning in your life? Are you accepting the actions of the Good Vinedresser or are you striving and pushing against His pruning?

"Fruit is the natural response of abiding in the vine."

-Sally

The Lord wants you to flourish and bear much fruit. How will you cultivate a life in Christ so that your fruit comes naturally?
