

Sally Clarkson

Introduction

1. Nurturing a Heart for Children

Do you have a heart for your children? Ask the Lord to give you love for your children and your husband. Read books that nurture your heart for your child.

2. Being a Gardener of Souls

What are some of the things God wants you to cultivate in the hearts of your children?

3. Taming Your Domain

What areas of your domain are a challenge to you? Pray that God will give you inspiration to plan your home and routine in those areas.

4. Modeling Ministry to Your Children

In what areas can you provide opportunities for your children to see you ministering to others? How can they help out and minister to others themselves?

Read 2 Chronicles 20 to learn about Jehoshaphat. Take some time today to pray with your children so that they can see God at work.

5. Becoming a Faithful Mother

The journey of motherhood is a marathon. There will always be squabbles, messy dishes, and difficulties. Read Psalm 139:16 and remember that God has laid out your days and your ministry to your children.

What vision do you need to relinquish in order to be faithful to the vision of motherhood that God has given you?

2 Timothy 4:5-8 But you, be sober in all things, endure hardship, do the work of an evangelist, fulfill your ministry. For I am already being poured out as a drink offering, and the time of my departure has come. I have fought the good fight, I have finished the course, I have kept the faith; in the future there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day; and not only to me, but also to all who have loved His appearing.
