

Penguin Cupcakes

Supplies:

- Cupcakes with white icing
- 2 tablespoons white icing in a small freezer bag
- Chocolate wafer cookies
- Mini chocolate chips
- Apricot fruit leather or dried apricots
- Butter knife
- Kitchen shears
- Cutting board

1. Use butter knife to cut cookies in half. Center knife over cookie and gently press down.

2. Use kitchen shears to cut fruit leather or dried apricots into small triangles.

3. Place three cookie halves on each cupcake to make a penguin's body.

4. Cut a small triangle off the bottom corner of the bag, and pipe a dot of icing for each eye and the beak.
5. Add mini chocolate chips to make eyes and use the apricot triangles to make a beak and two feet.
6. Eat and enjoy!
