All of us have a chance to live a faithful and unique story. What have you been particularly designed to do?

How might you grow in your current circumstances (like Daniel did under Josiah and then under Nebuchadnezzar)?

How might you influence your children toward a life of faith in Jesus?

God delights in bringing joy to His people. What do you have to be thankful for today?

*God uses normal people to bring great beauty, to bring great order out of chaos, that others might have hope for the great kingdom that God is preparing for us ahead.*
